

CITO Patch Sheet Tape

The adhesive tape for attaching the makeready sheet to the cutting die chase.

The tear-resistant CITO Patch Sheet Tape can be removed from both the locking chase and the makeready sheet without leaving any residue.

Our recommendation: Use the CITO Makeready Sheet, 3-ply, as a patch sheet.

Order no.	Dimensions (L × W)	Colour	Unit
BJA00010	66 m × 19 mm	transparent with CITO print	3 reels
