

**Technical data sheet**

07.10.2024

**Article-number:** ARN0001 – ARN01002**Designation:**

RSP Creasing Rubber strips and RSP Creasing Rubber plates

**Description:**

- To be placed on the impression cylinder
- Complement for RSP Offset Creasing Matrix
- Height-adjusted and especially developed for use with RSP

**Product advantage:**

- Top quality embossing of creasing
- Fast and easy installation by sticking on
- Positioning corrections are easier to make

**Product structure:**

|                     | Description                         |
|---------------------|-------------------------------------|
| <b>Upper layer</b>  | Creasing Rubber                     |
| <b>Second layer</b> | Adhesive tape with protective liner |

**Specific technical data:**

| Height              | 0.46 mm | 0.60 mm |
|---------------------|---------|---------|
| colour              | Yellow  | Brown   |
| Length              | 700 mm  | 700 mm  |
| Width of the plate  | 1000 mm | 1000 mm |
| Width of the strips | 25 mm   | 25 mm   |

**Form of delivery:** Plates or Tubes (1 unit = 10 strips)**Storing conditions:** Room temperature 20°C, humidity 50%**Storage duration:** 24 months**Indoor conditions****for processing:** Room temperature 20°C, humidity 50%**HS Code:** 40082190**Country of origin:** Czech Republic**Waste disposal:** Residual waste; observe local disposal regulations.
