

Technical data sheet**Article-number:** BEA00062**Description:** Zonal Patching Paper 250 m x 1.100 x 0.03 mm**Product structure:**

	Description
Material	Silk paper
Color	White transparent
Surface	Smooth, even

**Main application:**

- Zone makeready for larger areas
- Replaces patching with patching tape

Product advantage:

- Low thickness tolerance for high accuracy

Specific technical data:

Parameter	Method	Value
Grammage	ISO 536	22 g/m ³
Density	ISO 534	550 g/dm ³
Thickness	ISO 534	41 µm
Tensile strength in machine direction	ISO 1974	2 kN/m
Rip-through resistance in machine direction	ISO 1974	230 mN
Tear elongation in machine direction	ISO 1924-3	2 %
ISO whiteness	ISO 2470	86 %
pH value	ISO 6588	7
Moisture	Measurex	5,2 %
Sulphate content		< 450 ppm
Chloride content		< 45 ppm
